

Kuk Construction, LLC (KUK) provides commercial and industrial construction and construction management services for public and private clients. Providing focused, responsive, and personalized customer service is the cornerstone of KUK's success. We develop cost-effective solutions for both large and small projects that meet your scope, schedule, and budget.

KUK has considerable construction and construction management experience both domestically and overseas. Our personnel have worked in more than 100 locations in 70 countries, and have gained a broad range of international experience, as well as the ability to identify competent local contractors that provide quality support.

KUK works with the U.S. Department of State and the U.S. Army Corps of Engineers, and has extensive experience with Job Order and Task Order contracts. The services we offer are organized into three main categories:

Pre-construction Services

- Plans and Submittal Preparation
- Design
- Survey
- Assessment

Construction Management
